Volunteers: GET INVOLVED!

Whatever your talents or interests, you can make a real difference at Shepherd's Center Central.

Can you drive? Answer the phone? Could you offer an encouraging word to someone who might be feeling overwhelmed or lonely? Would you like to be part of a team that's developing lifelong learning opportunities for older adults?

Volunteer. We need your help.

PLAN ON IT!

Consider a Planned Gift

Legacy gifts provide future support for charity.

Any individual, at any time, can create a legacy gift. It can be as easy as naming a charity on the beneficiary form of a savings, checking or pension account, or through a more complex instrument such as a trust. Please consider making a general or residual charitable bequest to Shepherd's Center of Kansas City Central in your will.

To make a bequest to SCC, simply include the following words in your will:

"I give to Shepherd Center of Kansas City Central, a non-profit 501(c)(3) corporation, located in Kansas City, MO, _____% of my estate for general purposes."

To create a residual charitable bequest, you can use these words:

"All the rest, residue and remainder of my estate, both real and personal, I give to Shepherd Center of Kansas City Central, a non-profit 501(c)(3) corporation, located in Kansas City, MO, for its general purposes."

In January 2013, Westport Cooperative Services and Shepherd's Center Central merged to combine their efforts, maximize resources and become one strong, expanded organization.

Shepherd's Center Central empowers mid-life and older adults to live healthy, engaged, and independent lives.
